DISPLAY EQUIPMENT/MATERIAL DROP-OFF & SET-UP

► **Wednesday, November 16, 2016 - Booth Set-up**

The Edmonton Expo Centre (EEC) at Northlands is located Northeast of downtown Edmonton and South of the Yellowhead Trail at 116 Avenue and Wayne Gretzky Drive Exhibit equipment/material drop-off and set-up on Wednesday, November 16 will be subjected to specific times.

If you require the use of the loading docks, drive-in dock or any access to the Edmonton Expo Centre (EEC) through the loading dock area, whether it is a personal vehicle, pickup or transport truck, you must follow the assigned time schedule as shown on the plan below.

Exhibitors who **do not** require the use of the loading area can set up at any time between 8:00 am - 7:00 pm except for booths: **734, 736, 738, 740, 635, 637, 639, 641** - set up time is **after 3:00 pm only**.

Exhibitors who miss their targeted move-in time will have to wait until the loading dock is free.

After 5:00 pm any exhibitor may access the loading dock area.

Doors to the Show Hall will be open from 8:00 am - 7:00 pm. (*Loading dock opens at 8:00 am.*)
Booths must be set up by 7:00 pm.

► **No booth set-up permitted on Thursday, November 17th.**
Minor adjustments to displays only.

Trade Show opens at 10:30 am (*exhibitor access as of 8:30 am*).

UNLOADING INSTRUCTIONS

Please unload your equipment/materials from your vehicle as quickly as possible and remove your vehicle from the loading/unloading area **immediately**. Do not leave your vehicle unattended. Vehicles parked in 'restricted areas' will be ticketed.

**NO ONE UNDER THE AGE OF 16
IS PERMITTED ON THE SHOW FLOOR
DURING MOVE-IN & MOVE-OUT TIMES.**

ACCESSING THE EDMONTON EXPO CENTRE

The show is located in **HALL E**.

LARGE TRUCKS and TRAILERS. Large trucks and/or trailers **MUST** enter via **79 Street & 112 Ave.**

Proceed North on 79 Street past the entrance gate and around the race track to the loading/unloading area.

PERSONAL VEHICLES and SMALLER TRUCKS are also asked to access the Expo Centre via **116 Ave. & Wayne Gretzky Drive.** Traffic marshals will direct arriving vehicles — please observe their instructions at all times.

OVERNIGHT AND DAILY PARKING

Exhibitors may park their large trucks, trucks with trailers or personal vehicles in the exhibitor parking area of the West Lot. There is a daily fee of \$16.00 and parking is first-come-first-served.

An exhibitor **ADVANCE PARKING PASS** can be purchased on-site Wednesday from 10:00am-3:30pm for \$14.00 per day. Allows in/out privileges. If you do not purchase an advance pass daily parking fees apply.

DISPLAY BOOTH CONFIGURATION & SET-UP

Please see diagrams on right and below.

Single booth shown

Displays and signs are not permitted above an 8' height. A non-illuminated flat, stationary, sign may extend above the back wall to a maximum height of 12'. The reverse must be clean, in good repair and cannot show the business name.

Equipment and/or vehicles used for display purposes must be confined to the booth dimensions. No vehicles and/or equipment may protrude into the aisles. Buckets on tractors/loaders must not extend over the centre aisle or adjacent booth. Any machinery with hydraulic attachments extended in the 'up position' must be secured with safety locks/clamps. Keys must be kept on-site in the event of an evacuation.

Carpet and flooring material must remain inside the confines of the booth dimensions. No materials of any kind may be affixed to the ceiling or to any wall whatsoever.

STAND-ALONE BOOTHS

A stand-alone booth is defined as a block of booths completely surrounded by aisles.

The visual creation of stand-alone booth displays should be done with the visibility of neighboring

booths in mind.

No perimeter wall or structure is permitted above 4' unless of a see-through nature.

Display structures such as towers are permitted to a maximum height of 14'.

Careful consideration must be given to the placement of the 14' structure maximum. As a general rule this should be centered in the booth space.

ALL BOOTHS

No part of any booth display is permitted to extend beyond booth boundaries. Signs or other articles are not to be fastened to walls, floors, doors, pillars, safety rails, equipment or electrical fixtures/lines and sprinkler lines. The use of thumb tacks, scotch tape, nails, screws, bolts, or any tool or material which marks the floor, walls or equipment is prohibited.

GISC Management will be charged with the interpretation of the rules and any violation will be immediately corrected.

SECURITY

The show will have overnight security; however, Show Management accepts no responsibility or liability for loss or damage to merchandise or display material. Please secure all laptops during the show hours and move-in and move-out. Do not leave these items unattended for any period of time.

NOT PERMITTED

To ensure a safe and positive tradeshow for everyone. . . **Please note the following are NOT permitted inside the Expo Centre at Northlands:**

NO OPEN FLAME *(including candles, without prior permission)*
NO SPRAY PAINT
NO PROPANE VEHICLES

DISPOSAL OF LEFT OVER PALLETS & CONTAINERS

A disposal fee will be charged back directly to the exhibitor if pallets and or shipping containers are left on Expo Centre property after the end move-out.

To avoid additional charges, when making shipping arrangements, check with your carrier to arrange for pick up and/or disposal of your empty pallets and containers after the event.

EXHIBITOR SOLICITATIONS/TERRITORY

Exhibitors must limit their activities to within the confines of the booth space. Exhibitor activities must be conducted in a manner consistent with the non-interference of activities legitimately exercised by other exhibitors.

Any firm or organization not assigned booth space inside the exhibit hall will not be permitted to solicit within the trade show area. Please report this activity to GISC Management.

CHARACTER OF EXHIBITS

GISC Management retains the right to restrict exhibits to products and services of interest to and related to the horticultural industry. The Management also reserves the right to restrict exhibits because of noise, method of operation, materials, or for any reason that is objectionable, and also to prohibit or to evict any exhibit which, in the opinion of the Management, may detract from the general character of GISC. This restriction includes persons, things, conduct, printed matter or anything of a character that the GISC Management determines objectionable. In the event of such restriction or eviction, GISC is not liable for any refunds on rentals or other exhibit expenses.

SECURITY

GISC Management encourages exhibitors to have at least one employee in their booth during move-in and move-out hours. In all cases, the ultimate responsibility of security lies with the exhibitor at all times. GISC or the Edmonton Expo Centre will not be held liable for the loss or theft of any items in the exhibit booth or storage areas. During show hours exhibitor's must wear their name badges at all times to gain access to the show hall. The hall will be locked during off-show hours.

INSURANCE

The exhibitor is responsible for obtaining adequate insurance covering personnel, exhibit material and

equipment for the duration of the show move-in, show days, and move-out, including public liability, property damage, fire and theft, and business interruption, however caused. ***Proof of insurance is required. Send copy to Green Industry Show office prior to October 14, 2016.***

NON-SMOKING

Smoking is not allowed anywhere within the confines of the Edmonton Expo Centre building or within 15 feet of any doorway.

SPECIAL EQUIPMENT RESTRICTIONS

The operation of oil, natural gas or gasoline engines is prohibited in exhibit areas. Fuel tanks shall be limited to 50% capacity or 20L which ever is less, in the exhibit areas. Gas caps must be locked or sealed closed with tape. All battery cables must be disconnected and cable ends taped to meet Fire Department Regulations. Keys must be kept on-hand in the event of an evacuation. Audio visual equipment shall be limited in its operation to sales demonstrations only, must not be noisy and shall not be used to attract or amuse visitors. All audio visual equipment shall be in accordance with the requirements of fire prevention authorities and in harmony with any agreement entered into with GISC and the Management of the facility. The use of loud speakers and public address equipment by exhibitors is absolutely prohibited.

COMBUSTIBLE MATERIAL

The Fire Marshall has final authority regarding the types of material that can be displayed in the show halls. The following materials, if used for display or decorative purposes, shall be inherently flameproof or properly treated with a chemical flame retardant: flowers (artificial), foliage (artificial), paper, cardboard or compressed paperboard, plastic materials, split wood and bamboo fibers, textiles, table skirting, etc., any other material used for festive decorations (including Christmas trees), Wallpaper is permitted if pasted securely to walls or wallboard backing.

Permission may be given to use materials such as: hay or straw; acetate fabrics; paper backed foil only after considering the amount, location and treating them with a chemical flame retardant. Only limited quantities of textiles and similar combustible merchandise shall be on display. Fire Marshall to determine acceptable amount. Pre-approval required.

The use of spray paint is strictly prohibited inside the Edmonton Expo Centre.

Pumps and electric motors may be used for display purposes provided they are quiet and do not interfere with adjacent exhibitors. All electrical appliances,

electrical cords and electrical connections shall comply with the Electrical Code.

Propane is not allowed unless you have received prior permission; propane fuelled vehicles are not permitted for display purposes. Contact GISC Management for details.

The use of open flame, including candles may be granted, however, pre-approval is required from the Public Safety and Education Branch. Equipment must comply with acceptable safety standards and a suitable fire extinguisher must be in booth. Contact Valerie at GISC Management: 1-800-378-3198 for details.

NON-COMPLIANCE TO RULES AND REGULATIONS

Each exhibitor and employees, substitutes or aides, agrees to abide by the Terms of Agreement and by subsequent amendments and additions considered by GISC Management to be in the best interest of all exhibitors. Upon non-compliance with the terms formulated, GISC Management reserves the right to prohibit, reject or eject any exhibitor, exhibitor's representative, exhibit (in whole or in part), or visitor, with or without giving cause. In the event of restriction or eviction, GISC is not liable for any refunds on rentals or other exhibit expenses.

AMENDMENT TO RULES

GISC Management shall retain the right to interpret the rules and regulations or make such judgments as may appear to be in the best interests of the entire exposition.

ON-SITE STORAGE

Empty cartons/crates/pallets may not be stored in booths. Packing boxes and display storage cases, pallets, etc. must not be visible in your booth display.

Self storage is not longer available in the back corridor as the Expo Centre has re-purposed this area. GES will provide trailers to use as the storage area. You may self-store boxes, crates and pallets at no additional charge, provided you store and retrieve them yourself. If you use GES Canada there is a fee for this service – please see Material Handling. It is the responsibility of the exhibitor to arrange for pallets and packing material to be removed from the show floor at the end of set-up day. If not removed GES will remove debris and charge it back to the exhibitor. Please note GISC, GES and the EXPO Centre will not be held liable for lost items.

POST SHOW:

NO OVERNIGHT STORAGE PERMITTED

Clean-up / disposal charges will apply if all booth material is not removed or placed in garbage containers after the show. Any cartons/crates/pallets or other material not removed from the storage trailers five hours after the official show closing will become the property of the show and disposal charges will be billed to the exhibitor. To avoid extra charges make arrangements with your carrier to pick-up your empty cartons/crates or pallets.

MOVE-OUT PROCEDURES

► Friday, November 18, 2016

3:30 pm – 11:30 pm

Move-Out will not begin until all aisle carpet has been rolled up.

To alleviate traffic congestion during the Move-Out, the following time slots must be adhered to:

♦ **3:30 pm – 4:30 pm**
Small vehicles,
Mini van or car,
Pickup truck (NO trailer)

♦ **4:30 pm – 5:30 pm**
Pickup truck with trailer,
Cube vans,

Couriers

PERSONS UNDER THE AGE OF 16 ARE NOT PERMITTED ON THE TRADE SHOW FLOOR DURING MOVE-IN OR MOVE-OUT.

Note: GES Canada will supply each exhibitor with the 'Move-Out Instructions' on Friday morning, November 18, 2016.

Trucks and/or heavy equipment can only exit through the loading dock area.

BOOTH DISMANTLING IS NOT PERMITTED PRIOR TO 3:30 PM.

Exhibitors removing display items prior to show closing may forfeit their right to exhibit in future shows.

Please do not place any display materials or equipment in the show hall aisles until the carpet has been removed immediately following the official show closing time.

Move-out will commence immediately after the trade show closure, and all aisle carpet is rolled up, on Friday, November 18 at 3:30 pm and must be completed by 11:30 pm.

Clean-up /disposal charges will apply if all booth material is not removed or placed in garbage containers after the show. Any cartons/crates/pallets or other material not removed from the storage area/trailer five hours after the official show closing will become the property of the show and disposal charges will be billed to the exhibitor. To avoid extra charges make arrangements with your carrier to pick-up your empty cartons/crates or pallets.

There is no overnight storage. Contact GES Canada

to make arrangements for extended storage. It is mandatory that all shipments, other than those being taken out by personal vehicles, have a completed Outbound Bill of Lading; which will be available at the GES Canada service desk.

If your booth content has been sold to a third party for pick-up, please complete an Outbound Bill of Lading available at the GES Canada service desk.

If your booth material is being picked up by a trucking company or courier, exhibitors need to make sure that it is clearly and correctly labelled and that an Outbound Bill of Lading is completed. GISCA, GES or EEC is not responsible for any equipment/material remaining on the show floor.
