

GARDEN MAINTENANCE CREW LEADER

Are you passionate about gardens and ready to lead a small team in creating beautiful outdoor spaces? We're a thriving residential landscaping company based in Calgary, dedicated to delivering top-notch garden care and lawn perfection to our valued customers.

If you have a green thumb, leadership skills, and want to grow your career in landscaping — this role is made for you!

What You'll Do

- Lead a garden maintenance crew, managing one other team member
- Operate a company truck and trailer to various job sites
- Oversee garden health through expert weeding, pruning, pest management, bed edging, and more
- Use your plant knowledge to make every garden thrive
- Bonus if you have mowing and trimming experience

What We're Looking For

- Horticulture education or at least 2 seasons of solid gardening experience
- Reliable personal vehicle to meet us at the shop (public transit won't cut it)
- Insurable driver's abstract to keep the wheels rolling
- Willingness to work Monday–Saturday, starting at 7 AM, with dedication during long spring days (up to 12-hour shifts)
- Physically fit for outdoor work — bending, lifting, walking through all weather (sun, rain, wind, or winter)
- Personal cell phone for clocking in/out (with allowance provided)

Why Join Us

- Health Spending Account for your wellness
- Boot & Glove Allowances for comfort and safety
- Company Clothing Program so you look and feel professional
- Paid Education to keep your skills sharp
- Year-round work opportunities — tree pruning, snow removal, and landscape construction
- A supportive, professional atmosphere focused on team and individual growth

Ready to lead and cultivate great gardens with us?
