Landscaper Gardening Foreman/Woman

Job Description

For over 60 years, we have been a respected provider of landscape construction, maintenance, gardening and snow removal. Foothills Landscaping (2000) Ltd. is an equal opportunity employer that is committed to diversity and inclusion in the workplace. We are eager to meet **highly motivated, energetic individuals** who shares our enthusiasm to provide exceptional and quality service to our clients in Calgary and the surrounding area.

We would like to invite skilled workers with experience working in the landscaping field. Someone who has the ability to problem solve, communicate effectively, lead/motivate, support staff and develop working relationships within our company. The ideal candidates must be able to work independently and with an eye for detail to make sound decisions to ensure top level satisfaction. A Foreman must lead by example, assign and delegate task responsibilities and ensure the entire team works towards a single goal. Do you have a flexible schedule and are ready to get your hands dirty? Can you manage time to effectively meet deadlines? We are always looking for great people who bring value and possess a great attitude. Does this sound like you? We would be excited to have you join our team.

Responsibilities:

- A leader who can motivate their team, leading by example, promote safety, keep things organized and ensure projects moving forward.
- Plant flower beds and pots
- Maintain flower beds throughout the growing season, including pruning and replacements
- Remove plant material at the end of the growing season
- Use hand tools
- Pick up litter
- Perform basic maintenance on landscaping equipment
- Electronic submission of time sheets, safety paperwork and other information at each property
- Work within timelines to organize work tasks, and leave each property manicured
- Maintain your truck in a tidy manner
- Train new crew members
- Complete other duties as required.

Qualifications:

- 3 to 5 years landscaping experience and 1 to 2 years of experience in a landscape supervisory role.
- Post-secondary education in horticulture or equivalent experience.
- Excellent knowledge of plants, along with the knowledge of horticultural practices that go along with installing and maintaining.
- Comfortable with long hours outdoors and unpredictable weather.
- Ability to take direction (verbal and written), learn and work independently as well as part of a team.
- Must be reliable, trustworthy and punctual (various start times).
- Must be able to lift up to 50 pounds and perform all other physical requirements (repetitive motion, bending, kneeling, and standing).
- Valid Class 5 license and reliable vehicle is required.

Job Types: Full-time or Seasonal Contract
