

Lakeland College is looking for a skilled and creative **Horticultural Technician** to join our Grounds team.

If you're passionate about working outdoors, bringing landscapes to life, and making spaces safe, sustainable, and beautiful year-round, this is the role for you.

Every season offers something different: turf care in the summer, planting and pruning in the fall, snow management in the winter, and planning fresh designs in the spring, making this a truly dynamic and rewarding position.

### **Why Join Lakeland?**

At Lakeland College, you'll do more than maintain campus grounds—you'll help shape a welcoming, inspiring environment for students, staff, and visitors. Here, your work is noticed and appreciated.

We offer:

- A chance to make a visible impact on our vibrant campus environment
- Opportunities for professional growth, training, and development
- Competitive pay and benefits to support your wellbeing
- A supportive, team-oriented workplace where collaboration and creativity thrive

### **Key Responsibilities**

- Maintain and enhance campus grounds through seasonal turf care, planting, pruning, and landscape upkeep
- Install, maintain, and repair both hardscapes (paths, patios, retaining walls) and softscapes (gardens, trees, lawns)
- Support snow removal and ice control during winter months
- Contribute to landscape planning and design projects
- Operate equipment safely and assist with daily maintenance and minor mechanical upkeep

### **Job Requirements**

- Diploma in horticulture or a related field
- At least two years of hands-on horticulture experience
- Knowledge of hardscape and softscape installation methods
- Valid Landscape Pesticide Applicators License
- Working knowledge of Microsoft Office
- Strong mechanical aptitude and problem-solving skills
- A positive, team-oriented attitude and leadership ability
- Experience with landscape design and software is an asset

### **Additional Information**

This is a **Full-Time Permanent AUPE position** within the Grounds Department, based at our Vermilion campus, commencing as soon as possible and working a 40-hour week.

The competition will remain open until a suitable candidate is found.

To apply, please submit your resume electronically through our website: [www.lakelandcollege.ca](http://www.lakelandcollege.ca)

All qualified candidates are encouraged to apply; however, Canadian citizens and permanent residents will be given priority. We thank all applicants for their interest. Only those selected for an interview will be contacted.
