

## **Landscape Labourer**

Parkland Nursery and Landscape Services Ltd. is a “go big” kind of company. Located on the eastern edge of Red Deer, we are a nursery with 500 acres of trees and a construction division that specializes in BIG and exciting landscape projects. Currently, we are looking for landscape labours to join our team and be vital components for taking our projects to the next level. Landscaping experience is preferred but not mandatory. We are looking for individuals that are physically fit, enjoy working outside, motivated and like working in a team environment. Attention to detail and the ability to be work independently are important.

### **Duties and Responsibilities:**

- Work along and follow instructions from Landscape Lead.
- Complete projects efficiently and maintaining a high degree of quality.
- Complete tasks such as raking, grading, planting trees, shrubs and perennials/grasses, mulching, fabricing, installing edging and sodding.
- Be committed to our safety program: responsible for helping create a safe work environment as well as the necessary reporting and recording required.

Must be committed to working in a safe work environment. Position is full-time seasonal. Workdays are Monday – Friday with the potential for some Saturdays: positions are available for a mid-April start (weather dependent) and November end. Opportunities for apprenticeship are available for the right candidate.

Please submit resume ALONG with current references to [lands@pnls.ca](mailto:lands@pnls.ca)

Typical wage range is \$18.00-\$22.00 per hour depending on skills and experience.
